MBCC Group / Master Builders Solutions awarded EcoVadis Silver Sustainability Rating for 2022

Mannheim, Germany. Today, 21 11 2022, MBCC Group announced that it had achieved EcoVadis' Silver Sustainability Rating for 2022.

Jochen Fabritius, CEO, said: "This is MBCC Group's first rating by EcoVadis, and I am delighted that we have been awarded their Silver Sustainability Rating for 2022 on our first attempt. As our employees and customers know, ESG is intrinsic to our DNA and this positive outcome is a great third-party validation of our aspirations and teamwork. Going forward, I want us to do even better and I know the team is energised by this award. I would also like to thank EcoVadis for their important work and objective feedback."

John Ortiz, global head of Sustainability at MBCC Group, said: "In May we published our first Sustainability Report, for 2021, marking a major milestone on our sustainability journey. This Silver Rating is a result of the passionate work of our people, the Group's commitment to the environment and sustainability, and shows that we are on the right track".

About MBCC Group

MBCC Group is a leading supplier of construction chemicals and solutions worldwide and has emerged from the carve-out of the former BASF Construction Chemicals business of BASF Group. We offer innovative and sustainable products and solutions for the construction industry across different sectors, such as buildings, structures, underground construction and new construction, as well as for renovation. Our strong brands Master Builders Solutions®, PCI®, Thermotek®, Wolman®, Fire Protectors®, Colorbiotics®, Watson Bowman Acme®, TPH®, Bluey®, and Nautec™ are well established in the marketplace. With our innovations, we address sustainability challenges in the industry. MBCC Group consists of approximately 70 legal entities worldwide and is home to approximately 7,500 construction experts in over 60 countries.
