Exhibition Center Exhibition Hall

The background

The main exhibition hall in Egypt and it is the biggest one in Egypt, Master Builders Solutions Construction Chemicals applied Master Top DTZ solution for 7,500 m² the exhibition's hall area

The challenge

Very hard challenge against normal tilses systems (Carpets) and tough competition against competitors (Huntsman)

The material was specified in the end and Master Builders Solutions was the only nominated supplier

Project profile: Decorative flooring system

Our solution

Convince the customer that this material is the best solution which can last for a very long time; it is a life time material. Good looking floor and easy to be cleaned

Customers Benefit

The customer was very satisfied with the material applied which can last for a very long time and he is planning to do another hall using MasterTop TDZ

Project facts at a glance:

- continuous floor fully of colors
- Easy to clean
- Impact and abrasion resistant
- Master Builders Solutions provided the technical and after sales support
- Master Builders Solutions provided the total solution for the client
