The background

Golf City Mall is a new Commercial mall in El Obour City, Cairo. The customer need to apply the flooring cinema entrance and shopping mall with different and strange colours doesn't exist in granite and marble

Master Builders Solutions Construction Chemicals applied its decorative epoxy system Master Top DTZ

The challenge

Master Builders Solutions Construction Chemicals proposal was expensive but it gave the customer different and strange colours which are not available in normal granite and marble as yellow, blue and green

Project profile: Decorative flooring system

Our solution

We promoted Master Top DTZ as a solution for the requirement. Our proposal was very good to replace granite and marble with wide range of colours.

Customers Benefit

The Customer is very satisfied for potential solution with heavy duty seamless and colorful system which is easily cleaned and non-tainting.

Project facts at a glance:

- continuous floor fully of colors
- Hygienic and safe
- Easy to clean
- Non tainting
- Impact and abrasion resistant
- Master Builders Solutions provided the technical and after sales support
- Master Builders Solutions provided the total solution for the client
- Well trained applicator
