 MasterSeal 550

New Capital Strategic Water Tanks New Capital Water Tanks

Our reference in Asyut, NAPHTA COMPLEX

Our solution

MasterSeal 550

The customer's benefit

- A 1mm coating provides anti-carbonation cover equivalent to over 80cm of concrete
- Waterproof – resists up to 7 Bars (70metre head) of pressure
- Excellent adhesion – bonds to porous and on-porous surfaces.
- Non-toxic – suitable for contact with potable water

...

The challenge

waterproof lining for water retaining structures (water tanks).

Master Builders Solutions by MBCC Group

The Master Builders Solutions brand expresses MBCC's expertise in providing customized chemical solutions for new construction, maintenance, repair and restoration of structures. Master Builders Solutions is built on the experience gained from more than a century in the construction industry. At the core of the Master Builders Solutions brand is the combined know-how and experience of a global community of MBCC experts, who connect with you to solve all of your construction challenges.
