## The Polygon

### The Background

Great office space is in short supply in Cairo. Businesses need offices with flexibility of space, easy access, full security and the latest technologies built in. The Polygon Business Park, in Westtown, is located at Km. 38 on the Cairo-Alexandria Desert Road.

The Polygon features 11 striking buildings surrounding a central landscaped park and has all the conveniences of a modern purpose-built business complex with world class facilities including wi-fi internet cloud technology, a gym with swimming pool, spa, child day care center, shops, indoor and outdoor cafés, a business hotel and serviced apartments.

### The Challenge

- Heavy stone cladding weight.
- External cement plaster was weak.

### The Solution

Using MasterTile30 adhesive cement based tile adhesive for thin or thick bed fixing of stone cladding in interior or exterior situations, especially those exposed to permanently wet conditions.

### The Customers Benefit

The Client was satisfied with the performance of Master Builders Solutions products, the implementation, follow up and especially our solutions are simple while meeting top standards.

### Project facts at a glance:

- High adhesive bond strength
- Waterproof: immersion will not affect adhesion.
- Non – Slip.

### Master Builders Solutions by MBCC Group

The Master Builders Solutions brand expresses MBCC's expertise in providing customized chemical solutions for new construction, maintenance, repair and restoration of structures. Master Builders Solutions is built on the experience gained from more than a century in the construction industry. At the core of the Master Builders Solutions brand is the combined know-how and experience of a global community of MBCC construction experts, who connect with you to solve all of your construction challenges.
