Prima Hyundai factory

Our solution

We entered the job with one of our best applicators Xervon they have a very good experience.

We used the Shotblast machine for grinding the substrate weren't in a perfect condition.

They asked for a smooth floor and easy to be clean the MasterTop 1230 was the solution.

Customers Benefit

The Client was satisfied with the performance of Master Builders Solutions products, the implementation and follows up and especially with the color.

Project facts at a glance:

- Fast, expert installation
- Monolithic - minimizes joints
- Easy to clean
- safe
- High mechanical strength
- Impact and abrasion resistant

- Good chemical resistance
- Non tainting
