The challenge

The time frame is limited and they need to run the factory after applying Ucrete within 2 days and there are areas

Contact:

Eng. Naser (Owner)

Eng. Mosatafa (Engineering Dept.)

Eng. Abd El Razek Mekhemer
(Applicator)

Our solution

We submitted heavy duty flooring system using Ucrete MF with thickness 4mm

The customer's benefit

- Ucrete system durable and more efficiency than the other epoxy coating
- They can run the machines after applying within 2 days only
- Ucrete MF can resist Dairy products and sugar
- Ucrete can resist chemical concentration

Projects facts at a glance

- We supplied and applied 800 M2 as a first phase from the factory
