Sodic (Polygon & Forty West). Car Park

The background

Sodic as one of the biggest investors in Egypt they are building a big commercial and business center.

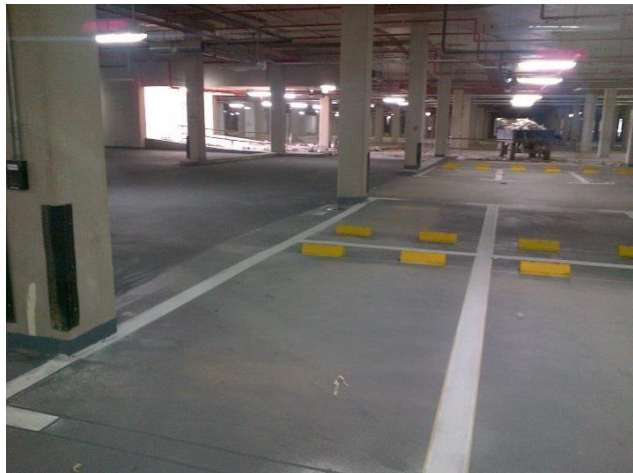

Its car park is around 80000 sqm .

The challenge

- The customer asked for a very low cost car park protection system.
- Also he asked for a durable material our solution was the epoxy coating system.

Sodic (Forty West and Polygon).

Our solution

Master Builders Solutions Construction Chemicals offered the system and a big applicator to finish this job properly.

Customers Benefit

Smooth, easy to clean floor, and abrasion resistance with a color perspective.

Project facts at a glance:

- 011Fast application
- Easy to clean
- Medium duty
