Bright Yellow

Due to technical reasons in printing, colour reproduction and product manufacture, the colours shown may not match the actual colours achieved on site. No responsibility can be accepted once the products have been applied. It is strongly recommended that a sample is first inspected, then a site sample trial applied and approved.

The Key Benefits of Ucrete CS at a Glance

- Colour stability
- UV resistance
- Enhanced stain resistance
- Improved colour range
- Fast application and speed curing
- Moisture tolerance
- Thermal shock resistance
