

We create chemistry

January 15, 2014

To Whom It May Concern:

This is to certify that MasterProtect FL 748 acrylic filler (formerly Patching CMPD 748), as supplied by BASF Corporation, fully meets the performance requirements listed in our current Product Data Guide, BASF Form Number 1017938.

Please note that, as part of the Master Builders Solutions® brand launch, MasterProtect FL 748 became the new product name for what was formerly Patching CMPD 748. The name change became effective January 15, 2014. The product has undergone no formulation or raw materials changes as a result of this effort and all physical and performance characteristics remain as outlined in the aforementioned product data guide.

Regards,

A handwritten signature in black ink, appearing to read "BKH".
