

We create chemistry

October 20, 2017

To Whom It May Concern:

This letter is to certify that MasterSeal® NP 520 Siliconized Acrylic Joint Sealant as supplied by BASF Corporation, meets the performance requirements listed in the current Product Data Guide, BASF Form Number 14000239.

Please note that MasterSeal NP 520 is a functional equivalent to Sonolastic® Sonolac® Siliconized Acrylic sealant previously offered by BASF Corporation. MasterSeal NP 520 is a single component, non-sag, fast setting, easy to apply, general purpose sealant for a variety of applications.

Regards,

A handwritten signature in black ink, appearing to read "J. Theis".
