Product Certification
MasterTop® SRS 100 PAS methymethacrylate resin

To Whom It May Concern:

This is to certify that MasterTop SRS 100 PAS methymethacrylate resin (formerly, SRS Degadur HKP), as supplied by Master Builders Solutions Construction Systems US, LLC ("Master Builders Solutions"), fully meets the performance requirements listed in our current Technical Data Guide, Master Builders Solutions Form Number 14000141.

Please note that as part of the Master Builders Solutions® brand launch, MasterTop SRS 100 PAS became the new product name for what was formerly SRS Degadur HKP. The name change became effective in 2014. The product has undergone no formulation or raw materials changes as a result of this effort and all physical and performance characteristics remain as outlined in the aforementioned Technical Data Guide.
