

MasterEmaco® A 660

Formerly Acryl® 60

Water-based acrylic bonding and modifying admixture

MasterEmaco A 660 is an acrylic-polymer emulsion which enhances the physical properties, adhesion to substrates, and durability of Portland cement mortars, plasters, stucco and concrete mixes.

It is specifically recommended to enhance the performance of BASF's MasterSeal® 581 Cementitious Waterproof Coating and MasterSeal 582 Foundation Coating. Information on use of MasterEmaco A 660 with other materials (plasters, stucco, etc.) is available in the MasterEmaco A 660 Technical Data Guide on the BASF / Master Builders Solutions website.

FEATURES AND BENEFITS:

- Excellent chemical and UV resistance
- Improves freeze/thaw stability
- Promotes long-lasting repairs
- Adds extra toughness and crack resistance to cement-based mixes

Satisfactory results depend on selection of suitable product for intended use and compliance with instructions for surface preparation and application.

DOWNLOAD AND READ FULL TECHNICAL DATA GUIDE FOR MIXING, APPLICATION AND SAFETY DETAILS ON THE BASF / MASTER BUILDERS SOLUTIONS WEBSITE BEFORE USING THIS PRODUCT.

WHERE TO USE:

- To improve adhesion, curing and durability
- As gauging liquid for BASF waterproofing and repair products, such as MasterSeal® 581 and MasterSeal 582

PACKAGING:

Offered in 1 Quart (0.94 L) bottles, 1 Gallon (3.79 L) jugs, 5 Gallon (18.9 L) pails and 55-Gallon (208 L) drums.

APPROXIMATE COVERAGE:

MasterEmaco A 660 can be used straight, or be diluted with water 1:3. Coverage depends on the suggested mixing ratio for a particular use. Please refer to the MasterEmaco A 660 Technical Data Guide on the BASF / Master Builders Solutions website for complete mixing ratios.

Master Builders Solutions products from BASF for the Construction Industry:

MasterAir®

Solutions for air-entrained concrete

MasterBrace®

Solutions for concrete strengthening

MasterCast®

Solutions for manufactured concrete product industry

MasterCem®

Solutions for cement manufacture

MasterEmaco®

Solutions for concrete repair

MasterFinish®

Solutions for formwork treatment

MasterFlow®

Solutions for precision grouting

MasterFiber®

Comprehensive solutions for fiber reinforced concrete

MasterGlenium®

Solutions for high-performance concrete

MasterInject®

Solutions for concrete injection

MasterKure®

Solutions for concrete curing

MasterLife®

Solutions for enhanced durability

MasterMatrix®

Advanced rheology control solutions for self-consolidating concrete

MasterPel®

Solutions for water tight concrete

MasterPolyheed®

Solutions for high-performance concrete

MasterPozzolith®

Solutions for water-reduced concrete

MasterProtect®

Solutions for concrete protection

MasterRheobuild®

Solutions for super-plasticized concrete

MasterRoc®

Solutions for underground construction

MasterSeal®

Solutions for waterproofing and sealing

MasterSet®

Solutions for retardation control

MasterSure®

Solutions for workability control

MasterTop®

Solutions for industrial and commercial floors

Ucrete®

Flooring solutions for harsh environments

Limited Warranty Notice:

BASF provides a limited warranty on its products. For the complete limited warranty statement please refer to the MasterEmaco A 660 Technical Data Guide on the Master Builders Solutions website.

Master Builders Solutions from BASF

The Master Builders Solutions brand brings all of BASF's expertise together to create chemical solutions for new construction, maintenance, repair and renovation of structures. Master Builders Solutions is built on the experience gained from more than a century in the construction industry.

The know-how and experience of a global community of BASF construction experts form the core of Master Builders Solutions. We combine the right elements from our portfolio to solve your specific construction challenges. We collaborate across areas of expertise and regions and draw on the experience gained from countless construction projects worldwide.

We leverage global BASF technologies, as well as our in-depth knowledge of local building needs, to develop innovations that help make you more successful and drive sustainable construction. The comprehensive portfolio under the Master Builders Solutions brand encompasses concrete admixtures, cement additives, chemical solutions for underground construction, waterproofing solutions, sealants, concrete repair and protection solutions, performance grouts and performance flooring solutions.
